

AWAROA WILDERNESS STAY

Escape the city and relax in the heart of the park

3 DAYS / 2 NIGHTS - \$1599 pp (twin share)

Imagine two nights immersed in the heart of the Abel Tasman National Park relaxing on bush fringed golden beaches. Fly return from Wellington and stay at the gorgeous Awaroa Lodge.

DAY 1: Departing Wellington, enjoy a spectacular scenic flight to Takaka over the Marlborough Sounds and the Abel Tasman beaches. During your flight, you will be wearing a headset so you can talk to others and the pilot, while listening to commentary along the way. Upon arriving into Golden Bay visit Te Waikoropupu Springs, New Zealand's largest freshwater springs (30 minute walk option), before travelling the limestone coastline to Totaranui Beach aboard a 50-minute scenic shuttle tour.

Once at Totaranui it's time to board your boat transfer for the short journey south to the stunning and picturesque Awaroa Bay, where your wilderness accommodation awaits - home for the next 2 nights.

DAY 2: Surrounded by native forest - Awaroa Lodge is beautifully secluded and is not accessible by road. The main lodge has everything you need including a comfy lounge, bar, library, day spa, restaurant and outdoor pizzeria. Spend your day enjoying the surrounds of the lodge, swimming, relaxing at the beach, take a walk on the Abel Tasman Track or go kayaking - one thing is for sure, you'll be left wanting more!

DAY 3: Your stay in the region wouldn't be complete without a cruise south along the length of the Abel Tasman coastline. Enjoy a 90-minute scenic boat cruise to Kaiteriteri, keep a look out for seals and dolphins along the way! Choose between time on Anchorage Beach with short walk options in the park or Kaiteriteri, the Tasman regions very own seaside resort. Bustling during the summer months, Kaiteriteri is a popular holiday destination for many with bars, restaurants, mini golf and scenic walks.

Leaving Kaiteriteri you'll travel the 60 minutes by shuttle over 'Marble Mountain' back to Takaka for your return scenic flight to Wellington.
